# RESIDENT RECAP

## PUPS IN THE POOL

Over 60 dogs enjoyed swimming in the pool to close out the 2019 season. Thank you to Neuse River Vets for the free treats and for meeting our resident's furry friends! Check the Friday Flash for event photos.

## FARMHOUSE JAMS

Megan Doss band performed live for the largest Farmhouse Jams audience yet! Green Planet Catering served up delicious hot dogs, hamburgers and BBQ. It was a great way to wrap up the last Farmhouse Jams concert of the year.

## OKTOBERFEST

Residents enjoyed outdoor games, German food, music and the biergarten! Thank you to all our residents who participated in the stein holding contest, we had to extend the contest to three rounds to accommodate the interest! Check the Friday Flash for event photos.

## THE GROVE OPENING

Thank you to the local resident band, the Shoreliners, for providing the music entertainment at the Grand Opening. First in Fitness demonstrated how to use the Fit Pod with a custom work out. It was a great opportunity for residents to enjoy spending time outdoors with their neighbors.

# Burnham Family

OCTOBER RESIDENTS OF THE MONTH

## Meet the Burnhams

We are happily one of the many transplants to this area, calling North Carolina home since 2000. Chad grew up in northern New York state in a small town on the Canadian border. After finishing college at SUNY Oswego he moved to Raleigh to avoid the long winters up north. Andrea was born outside of Youngstown, Ohio and moved south to Greensboro with her family at a very young age. She eventually moved to Raleigh to attend NC State and has called the area home ever since. Andrea and I met while working for the same pharmaceutical company. After bringing our first born home and planning for the second we knew it was time for change and a bigger house.

We moved to Wendell Falls in late August 2016, one day after our 4th wedding anniversary. We now have two beautiful daughters in our spacious home in a community we feel is built with families like ours in mind. While we both work for different companies today, we are still lucky enough to get to carpool together to our jobs that are nearby one another in Research Triangle Park as Chad works as an environmental consultant to the federal government and Andrea works as a quality auditor for a genomics testing company.

## What they love about Wendell Falls:

We are also grateful for the simple but awesome opportunity to be able to walk our kids to and from elementary school one day. As a family we love getting out and enjoying walks/runs through the neighborhood, events at the Farmhouse and spending time with wonderful neighbors who've become friends. For all the things that Wendell Falls has now or hopes to get in the future, we both feel it's the people who make up this community that are its biggest amenity.
